

WANT A NEW CHALLENGE?

OWN YOUR OWN SALON - OR CONVERT AN EXISTING SALON

Franchise opportunities are now available with one of the North East's leading salon groups

With 25 years experience, **Contemporary Salons** have successfully franchised salons for the last 15 years. If you want the independence of your own business, with the support and advice of our award-winning team, a franchise could be the answer.

A franchise with **Contemporary** means that we work for you. You have input into all decisions, with the reassurance that comes from the backing of an experienced team as your business partners.

We're a leading hairdressing brand but small enough to provide a bespoke, personal service and to offer the perfect balance between the creative and commercial needs of your business.
